*How to Have the Life You're Not Living*  
Thomas Nelson

It's time to sleep, it's time to sleep, the  
fishes croon in waters deep. The songbirds  
sing in trees above, "It's time to sleep, my  
love, my love." As children prepare for

bed, the world around them is also settling  
down for the night. Animals who live in the  
jungle, the forest, the sea—all whisper to  
their babies a soft refrain: It's time to  
sleep, my love. As comforting as a soft  
blanket and warm as a goodnight hug, Eric  
Metaxas's lullaby is lovingly brought to life  
by bestselling artist Nancy Tillman (*On the  
Night You Were Born*), whose illustrations  
celebrate the wonders of the natural  
world, and the bonds of family. *It's Time to  
Sleep, My Love* is a 2009 Bank Street -  
Best Children's Book of the Year.

*The Making of a Coach* Thomas Nelson  
Fiction writer Logan Brandish is perfectly  
happy in his peaceful small-town routine  
with his best friend, his cat, and his  
boyfriend—until he meets the editor of his  
next book, the handsome Brock Kimble,  
and the lazy quiet of everyday living goes  
flying out the window. Faced with real  
passion for the first time, Logan becomes  
restless and agitated, and soon his life and  
his new manuscript—a work in progress  
he'd always thought would be  
completed—are in a shambles. But as  
Logan is learning, you can't always get  
what you want... at least not right away.  
To take his mind off the mess, he takes a  
trip, but even the beautiful Italian, um,  
scenery can't keep his thoughts from his  
erstwhile editor for long. Logan just might  
have to admit there are some things you  
can't run from.

**If You Can Keep It** Sarah Crichton Books  
Inspiring stories and practical insights  
challenge readers to live a life of everyday  
greatness. Best-selling author Stephen  
Covey and Reader's Digest have joined  
forces to produce an extraordinary volume  
of inspiration, insight, and motivation to  
live a life of character and contribution.  
The timeless principles and practical  
wisdom along with a "Go-Forward Plan"

choices every day: *The Choice to Act -  
your energy The Choice of Purpose - your*

*destination The Choice for Principles - the  
means for attaining your goals Topics  
include: Searching for Meaning Taking  
Charge Starting Within Creating the  
Dream Teaming with Others Overcoming  
Adversity Blending the Pieces With stories  
from some of the world's best known and  
loved writers, leaders, and celebrities,  
such as Maya Angelou, Jack Benny, and  
Henry David Thoreau, and insights and  
commentary from Stephen Covey, the  
Wrap Up and Reflections at the end of  
each chapter help create a project that  
can be used for group or personal study.*

**Sydney Fawcett**

As one of the world's most renowned  
motivational speakers, Les Brown is a  
dynamic personality and highly-sought-  
after resource in business and professional  
circles for Fortune 500 CEOs, small  
business owners, non-profit and  
community leaders from all sectors of  
society looking to expand opportunity. For  
three decades he has not only studied the  
science of achievement, he's mastered it  
by interviewing hundreds of successful  
business leaders and collaborating with  
them in the boardroom translating theory  
into bottom-line results for his clients. In  
elementary school Les was mistakenly  
declared "mentally challenged." Teachers  
did not recognize his true potential.  
However, he used determination,  
persistence, and belief in his ability to go  
beyond being a sanitation worker to  
unleash a course of amazing  
achievements, including becoming a  
broadcast station manager, a political  
commentator, and a multiterm state  
representative in Ohio. This book will  
inspire YOU to tap in to the incredible  
potential for achievement, happiness, and  
influence that is lying dormant, just  
waiting to be unleashed. Les is determined  
to bring out that potential for greatness in  
you!

Embracing Greatness Springer

In the 7 Habits series, international  
bestselling author Stephen R. Covey  
showed us how to become as effective as  
it is possible to be. In his long-awaited new  
book, *THE 8th HABIT*, he opens up an  
entirely new dimension of human  
potential, and shows us how to achieve  
greatness in any position and any venue.

All of us, Covey says, have within us the means for greatness. To tap into it is a matter of finding the right balance of four human attributes: talent, need, conscience and passion. At the nexus of these four attributes is what Covey calls voice - the unique, personal significance we each possess. Covey exhorts us all to move beyond effectiveness into the realm of greatness - and he shows us how to do so, by engaging our strengths and locating our powerful, individual voices. Why do we need this new habit? Because we have entered a new era in human history. The world is a profoundly different place than when *THE 7 HABITS OF HIGHLY EFFECTIVE PEOPLE* was originally published in 1989. The challenges and complexity we face today are of a different order of magnitude. We enjoy far greater autonomy in all areas of our lives, and along with this freedom comes the expectation that we will manage ourselves, instead of being managed by others. At the same time, we struggle to feel engaged, fulfilled and passionate. Tapping into the higher reaches of human genius and motivation to find our voice requires a new mindset, a new skill-set, a new tool-set - in short, a whole new habit.

**The Book of Wonder Voyages** Hopewell Publications

The Grind is today's new textbook for success. It not only provides its readers with insight on achieving their goals, but further aims to bring about their peak levels of performance on a consistent basis. Three words can sum up the soul of this book: whatever it takes. This book features many in-depth examples of practices from some of the most prominent entities in the business world including Donald Trump, Sean Combs, Howard Schultz, David Geffen, Sam Walton, Russell Simmons, and many others who have achieved success. Along with characteristics such as hard work, dedication, attention to details, perseverance, The Grind includes groundbreaking unorthodox strategies to give the reader a competitive edge. Every person has the potential to become successful; the only limitation is the person's own self and the effort they are willing to contribute. It is solely a choice whether or not they will do what is necessary to position themselves for success, and this book is the definitive reference that will motivate and show readers how to do just that.

**23 Techniques to Relieve Stress, Stop Negative Spirals, Declutter Your Mind, and Focus on the Present** PKCS Media

Why does modern life revolve around

objectives? From how science is funded, to improving how children are educated -- and nearly everything in-between -- our society has become obsessed with a seductive illusion: that greatness results from doggedly measuring improvement in the relentless pursuit of an ambitious goal. In *Why Greatness Cannot Be Planned*, Stanley and Lehman begin with a surprising scientific discovery in artificial intelligence that leads ultimately to the conclusion that the objective obsession has gone too far. They make the case that great achievement can't be bottled up into mechanical metrics; that innovation is not driven by narrowly focused heroic effort; and that we would be wiser (and the outcomes better) if instead we wholeheartedly embraced serendipitous discovery and playful creativity.

Controversial at its heart, yet refreshingly provocative, this book challenges readers to consider life without a destination and discovery without a compass.

*Think and Grow Rich* Ballantine Books  
What does Eric Ludy have to say about relationships that he hasn't already shared? After twenty years of traveling the globe speaking on the topic of relationships, and after a dozen books penned to address this particular theme, Eric told Leslie several years ago that he was done writing on the topic. And yet, after being approached by a movie producer in early 2012 with heartfelt pleas to come out of "romance writing retirement" for one last hurrah, Eric for some reason agreed. In a seven-day stretch in the late months of that spring, this book was written. Though penned in a single week, the message within this book was forged over two decades and was born in the fires of prayerful application. Each of these forty chapters is likely the equivalent of a hundred conversations with wrestling souls and a hundred hours of meditating upon the truth of the Scriptures. According to Eric, this is the book that blows all his other relationship books out of the water (though they are all good and you are encouraged to read them). He also states that if he could pick one of his books on relationships to give to his own kids, this would be the one. This book is suitable for any age.

*Miracles* Bloomsbury Publishing  
Discover the five inner beliefs shared by the world's greatest achievers. If you want to take control of your life and achieve your biggest dreams, you must develop a "warrior mindset." This book will show you how to stop thinking like a victim and start thinking like a warrior. In this inspirational fable, Chris McNeely is a college football coach who is at the end of his rope after a

hard-and-fast fall from the top of his profession. Now bankrupt and on the verge of losing his job, he has no idea what he's doing wrong or how to get back on track. Angry, worried, and desperate for help, Chris receives mysterious visits from five of history's greatest coaches: John Wooden, Buck O'Neil, Herb Brooks, Paul "Bear" Bryant, and Vince Lombardi. Together, these five legendary leaders teach Chris how to "think like a warrior" and take control of his life. The "warrior mindset" he develops changes his life forever-and it will change yours as well. Discover the life-changing lessons of John Wooden, Buck O'Neil, Herb Brooks, Bear Bryant, and Vince Lombardi in this inspirational tale of what it takes to achieve your dreams-whatever those dreams may be. This book will show you how to... - Build your self-confidence - Develop mental toughness - Attack every day with joy and enthusiasm - Use a positive mental attitude to achieve more - Harness the power of positive self-talk - Be a positive leader for your family and your team - Become the person you were born to be - And much more... The five inner beliefs revealed in this book will empower you to take control of your life and overcome any obstacle that stands in your way.

*Fish Out of Water* Dk Pub

#1 New York Times bestselling author Eric Metaxas delivers an extraordinary book that is part history and part rousing call to arms, steeped in a critical analysis of our founding fathers' original intentions for America. In 1787, when the Constitution was drafted, a woman asked Ben Franklin what the founders had given the American people. "A republic," he shot back, "if you can keep it." More than two centuries later, Metaxas examines what that means and how we are doing on that score. *If You Can Keep It* is at once a thrilling review of America's uniqueness—including our role as a "nation of nations"—and a chilling reminder that America's greatness cannot continue unless we embrace our own crucial role in living out what the founders entrusted to us. Metaxas explains that America is not a nation bounded by ethnic identity or geography, but rather by a radical and unprecedented idea, based on liberty and freedom for all. He cautions us that it's nearly past time we reconnect to that idea, or we may lose the very foundation of what made us exceptional in the first place.

**A Step-by-Step Tool for Top Achievers** Harper Collins

"This is where you change your course from a life of disappointments, failures, broken promises, selfish ambitions and

mediocrity to one of self-fulfilling accomplishments. Greatness Is Upon You is composed of 24 tried and tested principles from my own life..." p. 4.

**Resilience** Greatness Is Upon You How to Seize and Sustain Greatness "This is where you change your course from a life of disappointments, failures, broken promises, selfish ambitions and mediocrity to one of self-fulfilling accomplishments. Greatness Is Upon You is composed of 24 tried and tested principles from my own life..." p. 4. The Secret to Success When You Want to Succeed as Bad as You Want to Breathe From homeless high school dropout to one of the most sought after motivational speakers in the country, Eric Thomas has truly found the Secret 2 Success. In this, his debut autobiography, Eric shares that secret with the rest of the world. By chronicling his days sleeping in abandoned buildings in the unforgiving Detroit winters, to his rise as a successful husband, father, CEO, educator and motivational speaker, Eric inspires the masses to reach greatness. In 2009 one of Eric's speeches entitled Secrets 2 Success surfaced on YouTube and quickly went viral reaching over 1 million views. It was the response to this video and the subsequent thousands of emails and phone call from viewers ranging from high school teachers and students, to professional athletes and CEO's of fortune 500 companies seeking Eric's advice on how to reach their maximum potential that ultimately led to the writing of this book. In the book, Eric not only details his struggles and successes, he also provides invaluable advice on how anyone can take their life from its current state to places they never dreamed imaginable. Average Skill Phenomenal Will Greatness Is Upon

You Journal How to Seize and Sustain Greatness You can use your GIUY Success Journal as a supplement to the GIUY Hardcover or if you're looking to grow and stretch yourself in all aspects of your life, use both in conjunction with our online Ascension Program, Breathe University. Seven Men And the Secret of Their Greatness "R. Eric Thomas didn't know he was different until the world told him so. Everywhere he went--whether it was his rich, mostly white, suburban high school, his conservative black church, or his Ivy League college in a big city--he found himself on the outside looking in. In essays by turns hysterical and heartfelt, Eric redefines what it means to be an 'other' through the lens of his own life experience"--Publisher marketing.

**Conversations from Socrates in the City** Texas A&M University Press Rudder From Leader to Legend Thomas A. Hatfield In this first comprehensive biography of James Earl Rudder, Hatfield covers Rudder's storied military exploits -- from years spent stateside training the all-volunteer 2nd Ranger Battalion to the unit's trek over the cliffs of Pointe du Hoc during the D-Day invasion. 540 pp. 68 b&w photos. 8 maps. Bib. Index. \$30.00 cloth

**And the Secret of Their Greatness** Penguin Books From homeless high school dropout to one of the most sought after motivational speakers in the country, Eric Thomas has truly found the Secret 2 Success.
