The Death of Yugoslavia

Verso

This remarkable book combines analysis and memoir to offer the unique perspective of an informed insider who lived through Yugoslavia's demise. Cvijeto Job's powerful and provocative story of Yugoslavia's birth, rise, and brutal destruction is intertwined with his family history as he probes deeply into the causes and legacies of Yugoslavia's ruin. The result is a sober assessment of the successes and unflinching

critique of the failures of Tito's Yugoslavia and how policies that were intended to ameliorate the country's ethnic tensions were corrupted or abandoned, ending in its undoing. Job argues passionately for the intervention of the international community in Yugoslavia and offers concrete suggestions for preventing future ethnic atrocities. Anyone reading his book will come to think more deeply about the ways in which the web of history and collective political culture weave the

fates of nations and individuals in times of crisis.

The History of the Yugoslav Wars and the Political Problems That Led to Yugoslavia's Demise

The Death of Yugoslavia
Balkan Holocausts?
compares and contrasts Serbian and Croatian propaganda from 1986 to 1999, analyzing each group's contemporary interpretations of history and current events. It offers a detailed discussion of holocaust imagery and the history of

victim-centered writing in nationalism theory, including the links between the comparative genocide debate, the so-called holocaust industry, and Serbian and Croatian nationalism. No studies on Yugoslavia have thus far devoted significant space to such analysis.

Yugoslavia Penguin Group(CA)

A revealing biography of Tito, the Yugoslav leader who was a partisan against the Germans and the first Communist head to break with the Soviet Union, considers his role

in the breakup of Yugoslavia twelve years after his death.

The Construction of a "preferred" Reading in the Television Documentary, The Death of Yugoslavia Westview Press

Accompanying a major five-part BBC TV series (first broadcast in autumn 1995), 'The Death of Yugoslavia' describes the break-up of the former Yugoslavia and provides a definitive history of events in the last ten years, and their ongoing effects.

The Bloody Lessons of

Nationalism, a Patriot's Warning Routledge

Marshal Tito's illness and death -- The first post-Tito years: political differences and the first clashes -- Economic crisis and powerless institutions: the first serious split in the party leadership -- The international standing and foreign policy of post-Tito Yugoslavia -- The months of Yugoslavia's destabilization -- The virus of separatism in Slovenia - - Gloomy prognostications at the end of 1988 -- The January crisis -- Kosovo: the country's most

challenging political issue
 -- Role of the armed
 forces in the Yugoslav
 crisis -- The world begins
 to wonder if Yugoslavia
 can survive -- Finally: the
 question of all questions.

**The Dissolution of
 Yugoslavia** Penguin UK
 All of the wars that have
 wracked the former
 Yugoslavia since 1991
 involved outside powers.
 Those outsiders--notably,
 the United States, the
 leading members of the
 European Union, and
 Russia--did not prevent
 the forces of ethnic
 nationalism from
 destroying a once

relatively stable and productive country. Not until late 1995 did outside powers induce representatives of the three warring parties to sign an agreement finally ending the savage war over the future of the former Yugoslav republic of Bosnia and Herzegovina. The nature, scope, and meaning of the actions and inactions of outsiders is the subject of this book. Why did the victors in the Cold War and the 1991 Gulf War not act to stop the slaughter? Will the fissures in the

Western alliance induced by the war in Bosnia corrode still further the relationships among the alliance's principal members? Will they widen the gap between Russia and the West? What can outside powers do now to help heal the terrible wounds caused by Yugoslavia's wars? What are the prospects for the agreement the three sides initialed at Dayton, Ohio? These are among the questions addressed by the nine specialists on international relations who have contributed to

this book. Besides the editor, the contributors include Thomas Weiss of Brown University, Stanley Hoffmann of Harvard, David C. Gompert of the RAND Corporation, Paul A. Goble of the Potomac Foundation, Richard Sobel of Princeton, Jean E. Manas of JP Morgan, Inc., and Abram and Antonia Handler Chayes, both of Harvard. " Hoffmann's chapter is the best analysis that I have seen of the European performance." Anthony Lewis in The New Republic The Fall of Yugoslavia

From the Death of Tito to the Death of Yugoslavia

Yale University Press

A former U.S. foreign service officer chronicles the disintegration of Yugoslavia by focusing on the life and career of its principle executioner, Slobodan Milosevic.

[Balkan Babel](#)

Independently Published

Traces the story of

Yugoslavia's

disintegration over the

entire period since Tito's death in 1980. This book

explains why this once stable and seemingly

harmonious country was fated to break up in a savage war for territory.

Serbian and Croatian

Victim Centered

Propaganda and the War in Yugoslavia Rowman &

Littlefield

Few figures have

dominated a nation's destiny as much as

Marshal Tito of former

Yugoslavia. For nearly

thirty years he held

together mutually hostile

religious groups in a

deeply divided country,

but his death in 1980

rekindled centuries-old

hatreds and by 1992

Yugoslavia ceased to exist. In this revealing biography, Richard West questions the full impact of Tito's reign of power and his implicit responsibility for the ensuing violent, bloody war in Bosnia. 'Excellent ... I recommend his book for those who already know about Yugoslavia and want food for thought about the future.' David Owen, Sunday Times 'Admirable ... Carefully researched and extremely readable.' Literary Review 'A passionate book, in which West's historical

sense is interlaced with his own very intimate knowledge of Yugoslavia from the late 1940s on and of the poignancy of [subsequent] events.' Fergus Pyle, Irish Times 'Masterly'. Glasgow Herald *The Tragic Death of Yugoslavia* Faber & Faber The fourth edition of this critically acclaimed work includes a new chapter, a new epilogue, and revisions throughout the book. Sabrina Ramet, a veteran observer of the Yugoslav scene, traces the steady deterioration of Yugoslavia's political

and social fabric in the years since 1980, arguing that, while the federal system and multiethnic fabric laid down fault lines, the final crisis was sown in the failure to resolve the legitimacy question, triggered by economic deterioration, and pushed forward toward war by Serbian politicians bent on power - either within a centralized Yugoslavia or within an 'ethnically cleansed' Greater Serbia. With her detailed knowledge of the area and extensive fieldwork, Ramet paints a

strikingly original picture of Yugoslavia's demise and the emergence of the Yugoslav successor states.

And the Rise and Fall of Yugoslavia Routledge

This authoritative reference follows the history of conflicts in the Balkan Peninsula from the 19th century through the present day. • Places the conflicts, battles, and wars in perspective through informative "Causes and Consequences" essays • Features introductions to primary source

documents written by a top scholar • Offers topic finders and a detailed bibliography that will help students conduct research • Defines important military terms unfamiliar to most audiences
Balkan Babel Bloomsbury Publishing

In 1991, an ethnically diverse region that had enjoyed decades of peaceful coexistence descended into bitter hatred and chaos, almost overnight. Communities fractured along lines of ethnic and religious affiliation and the ensuing

fighting was deeply personal, resulting in brutality, rape and torture, and ultimately the deaths of thousands of people. This book examines the internal upheavals of the former Yugoslavia and their international implications, including the failure of the Vance-Owen plan; the first use of NATO in a combat role and in peace enforcement; and the war in Kosovo, unsanctioned by the UN but prosecuted by NATO forces to prevent the ethnic cleansing of the region.

War in the Balkans: An Encyclopedic History from the Fall of the Ottoman Empire to the Breakup of Yugoslavia

50Minutes.com

A political memoir by a key witness to the chain of events that would send the Balkan empire toppling, aided by notable figures like Slobodan Milosević. In the early 1990s, following a series of violent conflicts on Slovenian and Croatian soil, the two republics succeeded from Yugoslavia, which would later be followed by

Bosnia-Herzegovina and Macedonia. Meslić was member, later last head of the Yugoslav Presidency. His memoir details an intricately woven storyline, which analyzes events, personalities and motivations inside Yugoslavia, as well as in the international arena. Extensive notes and a short chronology assist the interested reader and scholar in disentangling the complicated plot. *Slobodan Milosevic and the Destruction of Yugoslavia* Penguin

First published in 1997, this volume explores ethnic conflict alongside the creation and disintegration of the short-lived Yugoslav state, 17 years after the death of Tito. Processes of democratization tend to elicit differences within the population along deep-seated ethnic, religious and cultural differences. Dr. Gojko Vuckovic argues that the situation is no different in post-Cold War Yugoslavia. By setting out Yugoslavia's worst-case scenario of ethnic

tensions, Dr. Vukovic hopes to inform responses to ethnic conflict in the wider modern world.

The Death of Yugoslavia

Penguin; BBC Books

Yugoslavia: A History of its Demise is a new history of the disintegration and collapse of the former Yugoslavia. Commencing with the death of Tito, Meier presents an

insider's guide to all the regions of Yugoslavia, including Macedonia, and in particular, emphasizes the crucial part played by Slovenia before the outbreak of war in 1991. Drawing on official federal and republican archives, but also sources which are not yet officially open for scholarly use, the book covers: * the legacy of Tito's regime * the

personalities who dominated the Yugoslav stage during its dismemberment * the military threat against Slovenia in the late 1980s * the attempts to find a peaceful solution * the political conditions in Macedonia and Bosnia-Herzegovina * Western policy towards Yugoslavia's disintegration and terror.
