"As novelist and poet  
Andrei Codrescu points  
out in the essay that  
accompanies this  
selection of photographs  
from the Getty Museum's  
collection, Evans's  
photographs are the work  
of an artist whose  
temperament was  
distinctly at odds with  
Beals's impassioned  
rhetoric. Evans's  
photographs of Cuba were  
made by a young, still  
maturing artist who - as  
Codrescu argues - was  
just beginning to combine  
his early, formalist  
aesthetic with the social  
concerns that would  
figure prominently in his  
later work."--Jacket.

A dense black cloud  
boiled up in the  
southeastern sky. It rose  
high and fast, like a time-  
lapse movie of the birth of  
a thunderhead. But it was  
no rain cloud. Wholly  
black, it reached up and  
up until it loomed over  
her, blocking out the sun.  
Somehow, she knew, it  
was Death coming for  
her. Pre-med student Coral  
is on vacation in Idaho  
when something terrible  
happens. The black cloud  
is followed by a wildfire  
and searing heat that  
lasts for days. She  
survives deep in a cave  
but emerges days later to  
find the world  
transformed, with  
blackened trees, an ash-  
filled sky, and no living  
creatures stirring--except  
for her. So begins her  
desperate journey: to find  
water, and food, and  
other survivors...and the  
answer to the mystery of

what happened. Gray I is the first novel in a series.

'Janey is like a whirlwind of selflessness. A beautiful spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do

everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved.

Over two hundred and thirty years ago the Fallocaust happened, killing almost everything that lived and creating what is now known as the greywastes. A dead wasteland where cannibalism is a necessity, death your reality, and life before the radiation nothing but pictures in dog-eared magazines. Reaver is a greywaster, living in a small block controlled by a distant ruler said to have started the Fallocaust. He is a product of the savage world he was raised in and prides himself on being cold and cruel. Then someone new to his town catches his eye, someone different than everyone else. Without knowing why he starts to silently stalk him, unaware of where it will lead him.

In the midst of Trump's attacks on the media, comes this look at the rigorous, independent reporting of the year's most underreported news stories. While the country's president displays a brazen disregard for the First Amendment and routinely demonizes the press as "the enemy of the people," Censored 2020 looks beyond Donald Trump's dizzying contempt for the truth to clarify the corporate media's complicity in misinforming the American public--while also providing a clear vision of a better future, based on rigorous, trustworthy independent reporting that presents a fuller picture of truth. With a discerning eye, Censored 2020 focuses the public's attention on

the most important but underreported news stories of 2018-2019. These stories expose the corporate news media's systemic blind spots while highlighting the crucial role played by independent journalists in providing the kind of news necessary for informed, engaged citizens. The book also examines this year's lowlights in "junk food news" and "news abuse"--further revealing how corporate news often functions as propaganda--as well as highlights of exemplary organizations that champion "Media Democracy in Action." Additional chapters address the importance of constructive journalism, the untold story of Kashmir, news coverage of LGBTQ issues in the Trump era, "fake news" as a Trojan horse for censorship, and online memes as a form of political communication.

Fifteen-year-old Yuki is struggling at school with her confidence, and goes to Japan to stay with her grandfather, a well-known manga artist and to whom she is very close. But during her visit, a calamitous event occurs - the East Coast Earthquake and Tsunami - and her

beloved Grandpa is lost. Yuki and her friend Taka must make sense of the terrible situation and come to terms with the loss of their life as they knew it - and see that through renewal and with resilience, they can emerge from this tragedy with optimism for the future. Interwoven with Japanese folk tales, modern-day ghost stories, and the creation of her very own vibrant manga hero, Yuki finds the courage to overcome extraordinary odds, and take her first steps into the world that lies beyond catastrophe. Told through both prose and manga, this story for young adults will touch the heart of any reader.

He came to the Honey Garden looking for Cyrion. He was a man in grave danger, convinced only one man alive could help him. A man he had heard about in song and story. A man practically everyone knew something about. A man he had never met. CYRION Some said he was the stolen son of a western king, raised by nomads in the desert. A freelance swordsman, a sorcerer, a master of disguise, some said he attracted bizarre, uncanny events as some persons

attract misfortune. He with hair like the sky of earnest sunrise, his fair complexion, his whiplash reactions and quicksilver elegance was like a being from another world. A legend. A myth. But was he real? And was he for hire?

Althusser and Law is the first book specifically dedicated to the place of law in Louis Althusser's philosophy. The growing importance of Althusser's philosophy in contemporary debates on the left has - for practical and political, as well theoretical reasons - made a sustained consideration of his conception of law more necessary than ever. As a form of what Althusser called 'Ideological State Apparatuses', law is at the forefront of political struggles: from the

destruction of Labour Law to the exploitation of Patent Law; from the privatisation of Public Law to the ongoing hegemony of Commercial Law; and from the discourse on Human Rights to the practice of judicial courts. Is Althusser still useful in helping us to understand these struggles? Does he have something to teach us about how law is produced, and how it is used and misused? This collection demonstrates that Althusser's ideas about law are more important, and more contemporary, than ever. Indeed, the contributors to Althusser and Law argue that Althusser offers a new and invaluable perspective on the place of law in contemporary life. *Sterile Sky* Wattpad Books The New York Times-bestselling novel by the critically acclaimed author of *Native Speaker*, *A Gesture Life* and *My Year Abroad*. At 59, Jerry Battle is coasting through life. His favorite pastime is flying his small plane high above Long Island. Aloft, he can escape from the troubles that plague his family, neighbors, and loved ones on the ground. But he can't stay in the air forever. Only months before his 60th birthday, a

culmination of family crises finally pull Jerry down from his emotionally distant course. Jerry learns that his family's stability is in jeopardy. His father, Hank, is growing increasingly unhappy in his assisted living facility. His son, Jack, has taken over the family landscaping business but is running it into bankruptcy. His daughter, Theresa, has become pregnant and has been diagnosed with cancer. His longtime girlfriend, Rita, who helped raise his children, has now moved in with another man. And Jerry still has unanswered questions that he must face regarding the circumstances surrounding the death of his late wife. Since the day his wife died, Jerry has turned avoiding conflict into an art form—the perfect expression being his solitary flights from which he can look down on a world that appears serene and unscathed. From his comfortable distance, he can't see the messy details, let alone begin to confront them. But Jerry is learning that in avoiding conflict, he is also avoiding contact with the people he loves most.
