Hodder Education
This Cambridge IGCSE® Mathematics Core and Extended series has been authored to meet the requirements of the Cambridge IGCSE® Mathematics syllabus (0580/0980), for first examination from 2020. This Extended practice book accompanies the

Cambridge IGCSE® Mathematics Core and Extended Coursebook and provides students with additional practice activities focused on the skills required for the (0580/0980) syllabus. These activities are ideal as extra classroom materials, homework activities or for self-study. Answers are included at the back of the book to help students track their progress.

IGCSE Core Mathematics 3ed + CD
Hodder Murray

Extended Mathematics for Cambridge IGCSE provides for the second year of a two-year course leading to the Cambridge IGCSE Mathematics Extended Level examination from University of Cambridge International Examinations. This is the second of two books (Core and Extended), which together

completely cover the syllabus for the Cambridge IGCSE Mathematics Extended Level. Students may either study the whole of the Core course in their first year, followed by the Extended in their second year, or they may study 1 from Core followed immediately by 1 from Extended. Either way, the books are designed to be worked through sequentially and can be used both as classroom textbooks and for self-study. *Cambridge Igcse Core Mathematics Workbook* Hodder Education

Send students into their exam with the confidence to achieve their maximum potential using step-by-step guidance that helps to practise skills learned and improve exam technique. - Offers differentiation with core and extended material clearly - Build students' skills

constructing and writing answers with a range of practice and exam-style questions - Easily identify areas for improvement with the answers in the back of the book - Help students target their revision and focus on important concepts and skills with key objectives at the beginning of every chapter - Ensure that students maximise their time in the exam by including examiner's tips and suggestions on how to approach questions This Study and Revision Guide has been updated for the latest syllabus for examination from 2020. This title has not been through the Cambridge Assessment International Education endorsement process. Available in this series: Student Textbook Fourth edition (ISBN 9781510421684) Student eTextbook (ISBN 9781510420649)
